\*For year 7 entry in 2018 the Governors of Mill Hill County High School went to consultation and the Technology Aptitude Test was changed, previously this was a two part test where all applicants were invited to the first part which was a Verbal Reasoning Test. The 243 pupils (or slightly more if several students scored the same mark at the cut-off point) who scored highest marks were invited back to the second part of the Test, which was made up of Maths and Abstract Reasoning Papers. The offer score was made up of the Verbal Reasoning score and the highest of score obtained in either the Abstract Reasoning Paper or the Maths Paper. The maximum score achievable being 282. Now all applicants sit a Verbal Reasoning and Abstract Reasoning Test. The results of both tests results are added together to produce an offer score. The maximum score achievable being 282.

\*\*For year 7 entry in 2018 the Governors of Mill Hill County High School went to consultation and the Dance Aptitude Test was changed, previously the total maximum score was 80 and is now 40.
